

STAGE PLAN: NUKEN

1 to 3 Monitors (at least one for the singer)

Mic (beta 58 is our standard)

Mic stand

2 XLR to JACK cables (audio interface jack output L/R)

1 XLR cable (mic cable)

1 stand (to accommodate laptop and audio interface)

Headphones

Info

We travel and work with our personal laptop and audio interface, we can also provide Headphones, mic stand and a laptop stand for ourselves.

We do not provide any sort of monitoring system, nor speakers, microphones and/or cables.

Please consider this stage plan as a general idea of what is our working base and that we are used to discuss it first to better suit everyone's needs.
